

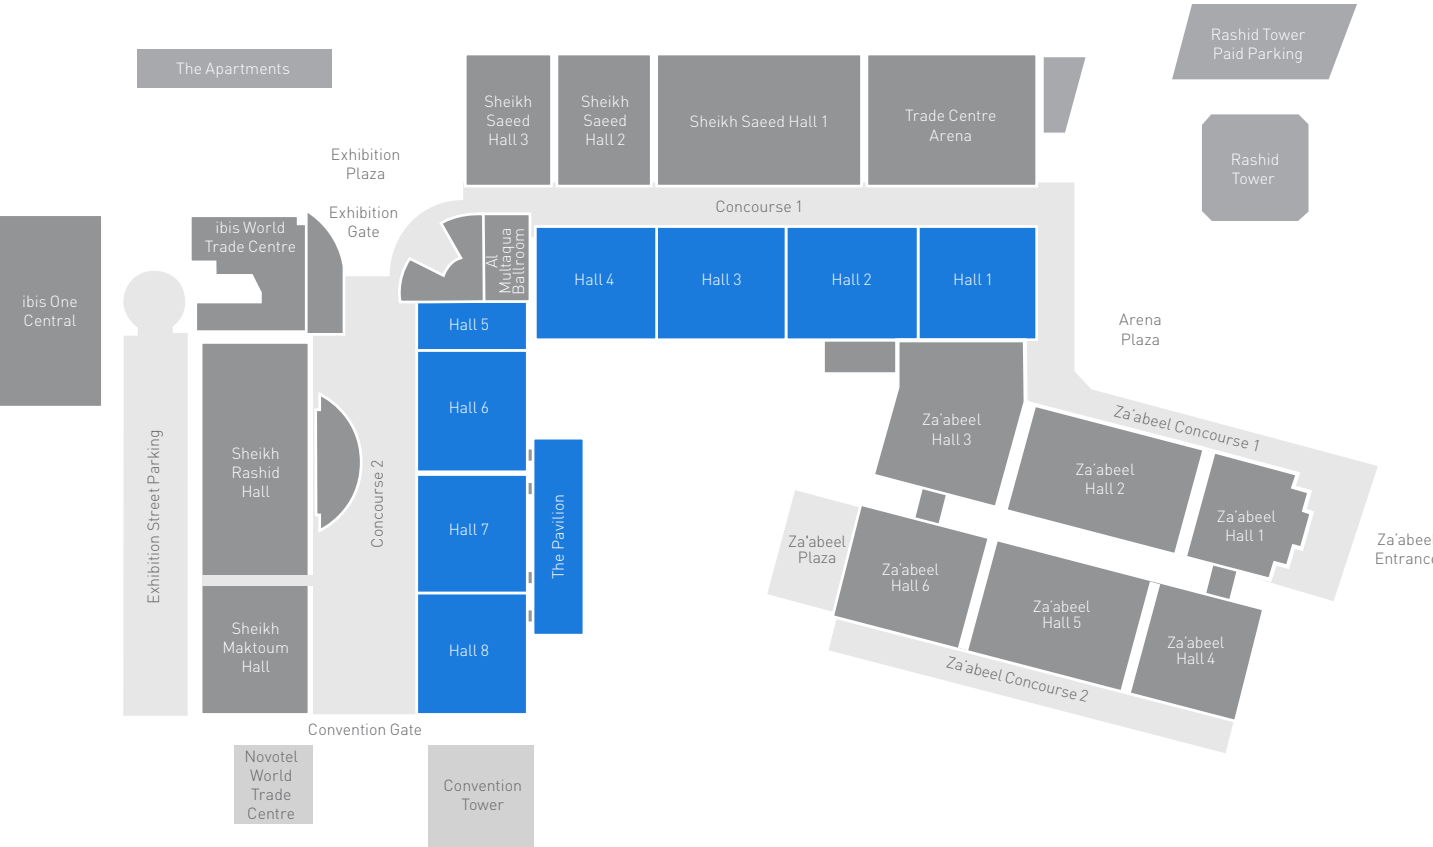

# EXHIBITION HALLS 1-8

Two sets of four halls sit adjacent to our named halls. With fully flexible structures these halls are our workhorses, providing over 31,000 m<sup>2</sup> of exhibition space that can be divided into multiple, and interlinked, smaller spaces. Six of the halls have a height of 7.50 metres, while the ceilings of Halls 3 and 4 are both 10 metres high.
